

**Remarks**

Applicants thank Examiner Fourson for calling attention to the defect in the appeal brief. In response, applicants amend claims 14 and 16 to reflect that both claims 14 and 16 depend on the new claim 17. The amendment makes the application in allowable form without adding new matters. Applicants respectfully request that the amendment be entered.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Yingsheng Tung', written over the printed name.
